JOHN KEHEW,

Importer and Manufacturer,

No. 69 NORTH WATER ST.,

NEW BEDFORD,

Has constantly on hand a large assortment of every description of

NAUTICAL INSTRUMENTS

Warranted Sextants, Quadrants, Spy Glasses, and Barometers from the most celebrated English and American Manufacturers; Amroid Barometers, French Telescopes, Masthead Glasses; Transparent, Binnacle, Storm, Cabin, and Boat Compasses; Log Glasses, &c. &c., with

CHARTS

of all parts of the world visited by Whalemen, (as good an assortment for Whalemen as can be found in this country,) and every description of

NAUTICAL STATIONERY.

Mr. Kehew will give his personal superintendence to the repairs of all kinds of Navigation Instruments, and all work done in his shop will be warranted.

Every Instrument sold by J. K. will be carefully adjusted before delivery, and warranted to the purchaser if required.

☞ Experimental information given, when desired, in the adjustment of the Sextant.
